She earned the distinction of Teacher of the Year from the Cleveland Association for the Education of Young Children in May, 2000 and is a Loving Guidance Associate as well as a Certified Parent Coach and presenter for Senders Parenting Center, the educational wing of Senders Pediatrics. Amy's experience with Conscious Discipline® began when she started implementing it in her early childhood classroom. As she witnessed a transformation in her teaching and her students, she became a strong advocate for Conscious Discipline®. She aspires to support all adults who come in contact with children by sharing Conscious Discipline® with them through practical, user friendly seminars and workshops. She works extensively with teachers, parents, pediatricians, nurses and others in the medical field.

Amy brings a humorous and insightful perspective to her presentations by sharing many personal insights about the challenges and delights of children. Having been a foster parent, a birth parent and an adoptive parent, Amy knows the beauty and the mess of the journey with children. As a presenter, she offers you a meaningful perspective of how the skills and strategies of Conscious Discipline® can support you every step of the way.
