MURAD FACIALS | \$25.00

VITAMIN C INFUSION

This antioxidant-rich formula helps to restore clarity, texture, elasticity, and firmness while fading pigmentation and smoothing out lines. Ideal for environmental aging, excessive sun exposure, uneven tone, and texture.

ACNE OR DETOXIFYING

Using exfoliating fruit enzymes to open clogged pores, this treatment helps reduce acne blemishes, unclog pores, and improve skin clarity while reducing redness and inflammation. Ideal for acne prone skin, excess oil production, large or clogged pores.

AGE REFORM

Concentrated Glycolic Acid targets fine lines and wrinkles and exfoliates dead skin cells to reveal softer and smoother skin. Ideal results are achieved in a series where the strength of each treatment is gradually increased to improve skin tone, and texture. Good for all types of skin.

TIGHTENING

This multi-active facial uses advanced collagen-building technology to boost elasticity, while gentle exfoliator's help brighten skin and stimulate cell turnover.
