Prices and schedules are subject to change prior to start date.

Customized Training

Apollo offers customized training for area businesses and industries in manufacturing, healthcare, transportation, public safety, and computer technology. We provide high-quality skills training at the company or on Apollo Career Center's main campus. Our team of industry experts offers flexible scheduling for both day and evening training.

Customized trainings can focus on skill-development of:

- Organizational Productivity
- Leadership Abilities
- Individual Productivity
- Manufacturing and Technical Knowledge
- Computer Skills
- Job Specific Skill, e.g. CPR, OSHA, or others

Every program is tailored to your business, with a comprehensive plan that will focus on the skills and knowledge your workforce needs to help you bring your goals to fruition. Not only that, customized training provides an opportunity for growth for employees, which improves morale and employee retention.

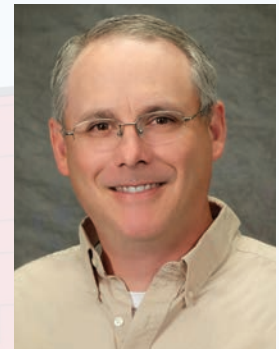

For more information please contact our Adult Education office at 419-998-3000 and ask about our customized training options.

SHEPHERD, TARA
Director of Adult Programs

On behalf of the administration, faculty and staff of Apollo Career Center, I invite you to experience the challenging and rewarding educational opportunities we offer current and prospective students. At Apollo Career Center, we are passionate about our vision statement Reflect, Transform, Lead. We believe in creating a wraparound service approach to learning. From the moment students enter the building as either a high school or adult learner, it is not just about education, it's about the experience. That experience is meant to last a lifetime. Each day we are working with many of you, to make you a part of that experience through our career development and career enhancement programs, externships, apprenticeships and as members of our advisory committees.

Apollo also offers customized training to meet the needs of the business and industry community — where they want it, when they want it, and how they want it. We are proud to be your skills training center. I encourage you to take advantage of our 224,000 sq ft facilities and the expertise we can deliver. If you are interested in learning more about how Apollo can help develop customized programs to meet your company's needs please don't hesitate to contact me or Assistant Director, Toby Prinsen today.

PRINSEN, TOBY
Assistant Director of Adult Education & Business Liaison

ADULT DIPLOMA PROGRAM/GED

Aspire

Aspire is a FREE program for anyone 16 and over in the community. Refresh your basic academic skills in reading, math, or language to help earn your GED or High School Diploma, enter a skills training program at Apollo Career

Center, enter college, obtain a job, and/or retain your current job.

Aspire students are required to attend a 2-3 day orientation for entry into the program. Students ages 16-18 must pre-register for orientation.

LOCATION	ORIENTATION DATES	CLASS DAYS	TIME

For Aspire classes held in Mercer, Paulding and Van Wert counties, call Vantage Career Center at 419-238-5411 ext. 2075 or visit <http://www.vantagecareercenter.com/abledged.aspx>

ESOL

ESOL (English for Speakers of Other Languages) classes are FREE and open to everyone over the age of 18 who needs help learning English. English is taught at many levels from beginning to advanced and covers listening, speaking, reading, writing and basic citizenship. GED classes are also available for ESOL students. Must pre-register before start date by calling 419-998-2956.

START DATE	DAYS	TIME
Dec. 2, 2019	M/W	9am-12pm
Dec. 2, 2019	M/W	6pm-9pm
Mar. 2, 2019	M/W	9am-12pm
Mar. 2, 2019	M/W	6pm-9pm

Learning Lab

Apollo offers students a great resource in its learning labs. Our program offers basic skills in reading, math, social studies, science and basic computer skills. It is for anyone who needs to brush up on their skills. We offer FREE online and computer-based instruction, basic computer skills, keyboarding, study and test-taking skills, and can assist those who would like to transition into employment or post-secondary education.

For information, call 419-993-2956 or email jodi.wireman@apolloc.org.

Adult Diploma Program

Earn a high school diploma and receive a career credential at the same time for free!

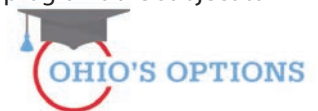

The Adult Diploma Program (ADP) offers career training, an industry credential aligned to one of Ohio's in-demand jobs, and a state-issued High School Diploma to Ohio residents aged 22 and older, who have not obtained a high school diploma or GED. Apollo's ADP students may choose from one of the following career programs* at no cost:

- State Tested Nurse Aide (STNA)
- Phlebotomy
- Microsoft Essentials
- Manicuring
- Early Childhood Education
- HVAC
- Robotics

Registration for the Adult Diploma Program is contingent upon receiving a composite score of 14 on the WorkKeys assessment plus meeting the minimum requirements for the chosen career programs. Potential students may attend an upcoming Aspire orientation for free WorkKeys preparation. Duration of the Adult Diploma Program depends on the length of the career program in addition to the time needed to achieve the required WorkKeys scores for program entry.

For more information, call Barb Heffner at 419-998-2992.

*ADP career programs are subject to change.

COMPUTER TECHNOLOGY

Network and Cloud Technologies

Network and Cloud Technologies; a novice and intermediate I.T. certification career path, is a CompTIA (Computing Technology Industry Association) accredited certification program. The goal of the Network and Cloud Technologies Program is to prepare students to be competent entry-level computing and networking industry professionals.

Modules include:

- CompTIA I.T. Fundamentals
- CompTIA A+ (1001 and 1002)
- CompTIA Network+
- CompTIA Linux+

Tuition includes book cost and one-time examination fees for certification in CompTIA I.T.Fundamentals, CompTIA A+ (1001 and 1002), and CompTIA Network+

APOLLO CAREER CENTER | ADULT EDUCATION
CAREER READY

BOOTCAMP

★ SUMMER 2020 ★

EARLY CHILDHOOD EDUCATION

Apollo's Adult Early Childhood Education, a highly accredited post-secondary program, is a key stepping stone on the path to career advancement. It's designed to prepare students to successfully complete the requirements for the nationally recognized Child Development Associate (CDA) credential. Coursework is Ohio Approved/SUTQ (Step Up to Quality) and includes Communicable Disease, Child Abuse, First Aid and CPR.

When you obtain your CDA through Apollo you will know how to nurture the emotional, physical, intellectual, and social development of children birth to five years old.

Benefits of the Child Development Associate (CDA) Credential:

- Job ready upon completion of program
- Advance your career and salary
- Meet job requirements
- Reinforce your commitment to early childhood education
- Increase your confidence
- Become a childcare teacher, child care provider, preschool teacher or childcare center director

Continuing Education

Look for additional classes on OCCRRRA.org

CLASSES

- Child Abuse Refresher
- Child Abuse I & II
- Communicable Disease Refresher
- Communicable Disease I & II
- First Aid for Childcare
- Child Abuse Refresher
- Communicable Disease Refresher

600 Hour Class

Students receive 120 hours of high quality classroom training and 480 hours of required practical experience in paid/unpaid student teaching at an area child care center. Hours will vary. A routine physical, immunizations and a criminal background check are required prior to taking part in the practical experience. Upon successful completion of the ECE program, the student will be eligible to test for the CDA credential. Tuition includes textbooks, supplies, communicable disease training, first aid, CPR, child abuse prevention training, and cost of the CDA exam.

Jan. 28, 2020 - Oct. 20, 2020
T, plus additional days | 6:00 - 9:00 pm

HEALTH & BEAUTY

Spa Technology

Spa Technology is a dual licensure program that will help prepare students to obtain credentials in both Nail Technology and Esthetics with the Ohio State Board of Cosmetology. Students will complete an 800 hour curriculum that provides advanced training in:

- Manicuring
- Pedicuring
- Artificial nail enhancements
- Skin care practices
- Makeup application

Students may qualify to participate in clinical internships throughout the program. In addition to working in a salon or spa, licensed Nail Technicians and Estheticians are in high demand throughout the travel industry and in various physician offices. Students will gain experience in salon operations and build skills that they can apply to their careers as an independent contractor. Prior to program completion students will have the opportunity to obtain additional certification as a Certified Tanning Operator and a Relaxation Massage Certification.

Tuition includes classroom materials, supplies, exam preparation and Ohio State Board of Cosmetology examination registration fee. Requirements: Students must submit official high school transcript.

Feb. 24, 2020 - Dec. 10, 2020
M - TH | 4:00-9:30 pm
800 hours | \$5,000*

*Tuition: \$4,512 + Books/Supplies: \$488

Esthetician

This licensure program will help prepare students to obtain credentials in Esthetics with the Ohio State Board of Cosmetology. Students will complete a 600 hour (43 week) curriculum that provides advanced training in skin care practices, makeup application, hair removal, anatomy, safety, chemistry and infection control practices. Students may qualify to participate in clinical internships throughout the program. In addition to working in a salon or spa, licensed Nail Technicians and Estheticians are in high demand throughout the travel industry and in various physician offices. Students will gain experience in salon operations and build skills that they can apply to their careers as an independent contractor. Prior to program completion students will have the opportunity to obtain additional certification as a Certified Tanning Operator and a Relaxation Massage Certification.

Tuition cost for Esthetics includes classroom materials, tool kit, exam preparation and Ohio State Board of Cosmetology examination registration fee. Requirements: Students must submit official high school transcript.

Feb. 25, 2020 - Dec. 15, 2020
M - TH | 4:00 - 9:30 pm
600 hrs | \$3,700*

*Tuition: \$3,392 + Books/Supplies: \$308

Manicuring

Manicuring offers individuals seeking to build a dynamic career in the Nail Technology. This licensure program will help prepare students to obtain

credentials in Nail Technology with the Ohio State Board of Cosmetology. Students will complete a 200 hour (20 week) curriculum that provides advanced training in manicuring, pedicuring, artificial nail enhancements, skin care anatomy, safety, chemistry and infection control practices. Students may qualify to participate in clinical internships throughout the program. In addition to working in a salon or spa, licensed Nail Technicians are in high demand throughout the travel industry and in various other settings. Students will gain experience in salon operations and build skills that they can apply to their careers as an independent contractor.

Tuition cost includes classroom materials, tool kit, exam preparation and Ohio State Board of Cosmetology examination Registration Fee. Tool kits are non-returnable and non-refundable. Payment plans available upon request

Feb. 24, 2020 - July 15, 2020
M / W | 4:00 - 9:30 pm
200 hrs | \$1,800

Massage Therapy Dayton School of Medical Massage

The objective of this course is to train and prepare career-oriented students to obtain licensure as massage therapists. Students must attend 900 hours of instruction including supervised hands-on learning, related lectures and clinical experience.

For additional information go to www.massageschools.com or call 1.888.860.4544 or 419-998-2984. *Any class days cancelled will be made up following the final scheduled class day.

HEALTHCARE & MEDICINE

Dental Assistant

Dental Assistants help to increase the efficiency of the dentist in the delivery of oral health care. This program will prepare you to assist chair-side during specialty and operative procedures. Students will complete an externship experience in a local dental facility as part of the program.

Aug. 17, 2020 - June 17, 2021
M-TH | 6:00 - 10:00 pm
Some S | 8:30 am - 4:30 pm
900 hrs. | \$9,100*

*Tuition: \$8,100 + Books/Supplies: \$1,000

Licensed Practical Nurse

The LPN serves as a patient advocate by collaborating, communicating, and working with other members of the healthcare team. This 11-month program prepares the graduate for an entry-level position under the direction of a registered nurse, licensed physician, dentist, optometrist or podiatrist. Classroom work is integrated with lab and clinical hands-on learning in both acute and chronic care settings.

The graduate is prepared to practice nursing with persons throughout the life span within an ethical, economic, and legal framework, and to function in accordance with the Licensed Practical Nurse scope of practice set forth by the Nurse Practice Act.

M - F | 7:30 am - 3:30 pm
1,376 hrs. | \$12,370*

*Tuition: \$10,860 + Books/Supplies: \$1,510

Free study tables at the Lima Campus offered to all LPN students!

M-W | 6:30-7:30 am
M-W | 3:30-4:30 pm

Medical Assistant

This program prepares you to work in both the administrative and clinical areas in ambulatory care. Certified Medical Assistants (CMA's) work in private practices, clinics, and medical laboratories. Some of the duties of a CMA include basic patient care, performing lab tests, taking vital signs, drawing blood, performing EKG's, giving injections, removing sutures, and more. Upon completion of the medical assisting program students will earn a certificate and be eligible for certification in: Medical Assisting, Phlebotomy, and Medical Coding.

Apollo's Medical Assisting Program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Medical Assisting Education Review Board (MAERB). Commission on Accreditation of Allied Health Education Programs, 25400 US Highway 19 North, Suite 158, Clearwater, FL 33763, 727-210-2350 www.caahep.org

Aug. 17, 2020 - June 17, 2021
M - TH plus some F | 9:00 am - 3:00 pm
900 hrs. | \$10,800*

*Tuition: \$9,476 + Books/Supplies: \$1,324

Professional development day; Thursday, August 13th, 2019 from 9:00 am - 3:00 pm

Medical Insurance Specialist

Medical Coding/ Billing Program

A medical insurance specialist requires a working knowledge of coding systems, coding principles and rules, government regulations, and third-party payer requirements. This nine month program will prepare students for entry-level positions in a wide variety of healthcare settings such as inpatient facilities, physician's offices and clinics, insurance companies, and many other health oriented companies. Upon completion of the Medical Insurance Specialist curriculum, students are prepared and eligible to take nationally recognized certification exams in medical coding.

Aug. 17, 2020 - June 17, 2021
M - TH plus some F | 9:00 am - 3:00 pm
856 hrs. | \$9,800*

*Tuition: \$8,140 + Books/Supplies: \$1,660

Professional development day; Thursday, August 13th, 2019 from 9:00 am - 3:00 pm

State Tested Nurse Aide (STNA)

A nurse aide performs everyday tasks under the supervision of nursing and medical staff. Students receive daily hands-on training in a lab setting. In addition to 60 classroom hours, 16 clinical rotation hours are scheduled and assigned within the first week of class. Clinical dates and times are in addition to class schedules. Current 2-step Mantoux (TB) test is required. Uniform requirements will be discussed first day of class. Call Ruth Nichols at 419.998.2979 for more information. Workbook and State Test are included in tuition cost. State Nurse Aide test is administered at Apollo within 4 weeks after successful completion of class.

MANUFACTURING, SKILLED TRADES & WELDING

Automated Manufacturing Technology

Apollo offers individuals seeking to achieve a career in machining and robotics an excellent skills training that will prepare students to obtain NIMS (National Institute of Metalworking Skills) certification and Basic Robotic certifications. The student will complete a 640-hour curriculum that provides advanced training in:

- Shop Safety
- Manual Lathe/Mill Machining
- CNC Lathe/Mill Setup and Operations
- CNC Programming
- Dimensional Metrology
- AutoCAD and CAM Software
- Robotics

Students that qualify may participate in externships throughout the program.

Tuition includes classroom materials, supplies, exam preparation, and certifications.

Mar. 9, 2020 - Feb. 4, 2021
M-TH | 6:00 - 10:00 pm
640 hrs. | \$8,450*

*Tuition: \$7,704 + Books/Supplies: \$746

Industrial Maintenance Technician

The Industrial Maintenance Technician program will prepare students to obtain OSHA 30 Safety certification and Environmental Protection Agency (EPA) Refrigerant Recovery Universal certification. Students will complete a 648-hour curriculum that provides advanced training in:

- Occupational Safety
- Hydraulics/Pneumatics
- Industrial Mechanics
- Single Phase Circuits
- AC Motor Controls
- Machine Control Systems
- PLC's and HVAC

Students that qualify may participate in externships throughout the program.

Tuition includes classroom materials, supplies, exam preparation and certifications.

Mar. 9, 2020 - Feb. 4, 2021
M-TH | 6:00 - 10:00 pm
648 hrs. | \$8,450*

*Tuition: \$6,968 + Books/Supplies: \$1,482

Fabrication Concepts and Plate Welding

The Fabrication Concepts and Plate Welding program, a 696-hour certificate program, is designed to provide portable welding credentials for code welders. Welders can test to a number of code-specific supplements that pattern themselves after the qualification requirements of those specific codes. Through classroom and hands-on training, students will gain knowledge and practice in the following areas:

- Welding Fundamentals and Metrology
- Math for Welders
- Blueprint Reading / Metallurgy
- Oxy-Fuel Welding/Cutting
- GMAW
- SMAW
- GTAW
- FCAW-G
- Fabrication
- Professional Development: Resume writing, job search, interview skills and employability training

AWS Testing

Call 419-998-2980 to register. Register more than one week in advance. Test begins at 8 am.

Test Dates:

Nov. 9, 2019	Apr. 4, 2020
Dec. 14, 2019	May 2, 2020
Jan. 18, 2020	May 16, 2020
Feb. 22, 2020	June 13, 2020
Mar. 21, 2020	

Graduates will be eligible to seek AWS Certification in SMAW, GTAW, and GMAW. Employment referrals to companies throughout the region will be provided

Mar. 9, 2020 - Feb. 23, 2021
M-TH | 6:00 - 10:00 pm
696 hrs. | \$10,900*

*Tuition: \$10,340 + Books/Supplies: \$560

Structural Plate and Pipe Welding

The Structural Plate and Pipe Welding program is a 768-hour one-year certificate program. This program is designed to provide portable welding credentials for code welders. Welders can test to a number of code-specific supplements that pattern themselves after the qualification requirements of those specific codes. Through classroom and hands-on training, students will gain knowledge and practice in the following areas:

- Welding Fundamentals and Metrology
- Math for Welders
- Blueprint Reading / Metallurgy
- Oxy-Fuel Welding/Cutting
- GMAW
- SMAW
- GTAW
- FCAW-G
- Pipe Welding SMAW & GTAW
- Professional Development: Resume writing, job search, interview skills and employability training

Graduates will be eligible to seek AWS certification in SMAW, GTAW, GMAW and pipe welding. Employment referrals to companies throughout the region will be provided.

Mar. 9, 2020 - Mar. 29, 2021
M-TH | 6:00 - 10:00 pm
768 hrs. | \$11,950*

*Tuition: \$11,380 + Books/Supplies: \$570

Short-Term Welding

Welding certificate program as a short-term 336-hour, 5-month program where students will be trained in:

- Welding Fundamentals & Metrology
- Math for Welders
- Blueprint Reading and Metallurgy
- Oxy Fuel Welding and Cutting
- MIG I, II, III, IV, V
- Professional Development
- AWS Certification Test

Tuition includes all classroom materials, supplies, exam preparation and certification test.

Mar. 9, 2020 - Aug. 31, 2020
M-TH | 6:00 - 10:00 pm
336 hrs. | \$5,500

CNC Operator

Apollo offers a short term, 8-month CNC operator certificate program where students will complete a 360-hour curriculum that provides advanced training in:

- OSHA 30
- Manual Lathe/Mill Machining
- CNC Lathe/Mill Setup
- Operations and Dimensional Metrology

This program will prepare students for entry level CNC operator or CNC machinist positions.

Tuition includes classroom materials, supplies, exam preparation and certifications.

Mar. 9, 2020 - Nov. 2, 2020
M-TH | 6:00 - 10:00 pm
360 hrs. | \$4,300

Electrical Certificate

The Industrial Electrician certificate program as a short-term, 9 month program where students will be trained in:

- Math
- Electrical safety and schematics
- Industrial health and safety (30-Hr OSHA card)
- Single phase circuits
- AC motor controls
- Machine control systems
- Programmable logic controls

Upon successful completion of the course, students will be career ready for an entry-level Industrial Electrician position.

Tuition includes classroom materials, supplies, exam preparation and certifications.

Mar. 9, 2020 - Nov. 3, 2020
M-TH | 6:00 - 10:00 pm
324 hrs. | \$4,300

Robotics

The robotics program trains students how to use the latest real-world robotic automation while applying science, technology, engineering and mathematics in both a hands-on and online learning environment.

Upon successful completion of the course, students will have the knowledge to move robots in:

- 3D View multi-windows
- Create a robotic work cell
- Edit robotic properties, parts and fixtures
- Create fixtures for pick and placement
- Programming
- Motion Instructions
- File Backup
- Handling Pro

Fanuc or Yaskawa certifications are available and issued upon successful completion of the course.

Tuition includes classroom materials, supplies, exam preparation and certifications.

Fanuc Class

Jan. 11, 2020 - Feb. 15, 2020
S | 8:00 am - 2:00 pm
36 hrs. | \$1,500

Apr. 18, 2020 - May 23, 2020
S | 8:00 am - 2:00 pm
36 hrs. | \$1,500

Yaskawa Class

Feb. 10, 2020 - Mar. 11, 2020
M/W | 6:00 - 10:00 pm
36 hrs. | \$1,500

Part-Time Manufacturing

Apollo offers an extensive catalog of part-time industrial and welding classes. These classes offer specific skills in a short period of time at an affordable price. They may provide you the skills to earn more money, get a promotion, or give you a helpful edge in the job market. For a list of our available classes, visit <http://www.apollocareercenter.com/adult-education> under "Manufacturing & Welding", select "Short Term Manufacturing and Welding".

Basic Electricity

A short-term introductory electrical course covers orientation to the electrical trades, circuits, theory, national electrical code (NEC), devices boxes, conductors and cables, residential electrical services and test equipment.

Nov. 5, 2019 - Feb. 27, 2020
T/TH | 6:00-10:00 pm
144 hrs. | \$1,500

HVAC

This course covers the basic principles of heating, ventilating and air conditioning. EPA certification test fee included. (You must hold EPA certification in order to purchase and work with AC chemicals).

Mar. 16, 2020 - July 27, 2020
T, TH | 6:00-10:00 pm
144 hrs. | \$2,300

TRANSPORTATION & CONSTRUCTION

Truck Driving

Our CDL courses help the students prepare for the written permit test and the CDL skills test. Our Class A and Class B curriculum meets the Federal entry level driver training requirements and the State of Ohio requirements to obtain a certificate of completion. These requirements are vital to obtain employment as a truck driver with one of sixty trucking companies that hire our graduates. Apollo Truck Driving Academy is licensed by the State of Ohio and is accredited by the Council on Occupational Education and governed by the Department of Higher Education.

Assistance in placement for qualified graduates. Financial aid is available based on eligibility through WIOA, NAFTA, TAA, TRA, OOD, VA, tuition assistance, GI Bill, employer sponsored, Workforce Development.

Admission Requirements:

- Students must have a valid Ohio driver's license, pass a DOT physical examination and school approved drug screen.
- 18 years of age allows students to drive in-state only
- Minimum age of 21 for interstate driving.
- Students must have no more than four (4) points on his or her current license.
- No DUI/DWI/OMVI motor vehicle substance convictions in the previous five (5) years

There is a \$200 application fee which covers the cost of a copy of driving record (driver's abstract), DOT physical and drug screen.

CLASS A CDL

ONLINE CLASSES

Apollo Career Center offers hundreds of online classes. For a full listing of what's available, visit our website and click Online Classes!

American Heart Association Online Classes:

Call 419-998-2962 for registration directions

Healthcare Provider (BLS) | \$75

Heartsaver (HS) CPR AED, First Aid, Heartsaver CPR/AED/FA | \$100

- Part 1 is online.
- Parts 2-3 check-offs by appointment only. Call 419-998-2962 for more information.
- Check-off only of BLS or HS skills costs \$40 for each discipline.

Home Inspector Training | \$895

The American Home Inspection program will teach you how to perform a professional inspection on your own time, in your own home, and at your own pace. All of the program materials will be shipped to your door. You'll learn independently, but not alone- with unlimited instructional support. The eight-course books/study modules, combined with audio and visual tutorials, photos of numerous inspection scenarios, practice exercises and quizzes, provide you with a step-by-step process for executing a complete, thorough, professional home inspection and producing a professional home inspection report. Information is also provided on how to successfully start up and market your home inspection business. To register, visit: <https://www.ahit.com/affiliates/apollo/homeinspection.cfm>

Medical Terminology | \$545

Call 419-998-2981 for registration directions

Once class is registered and payed for, you can pick up your book and online access information in the Adult Education office.

Medical Transcription | \$605

Call 419-998-2981 for registration directions

Learn medical transcription techniques with hands-on practice using various medical forms including history, physicals, discharge summaries, and more. You will be exposed to diverse accents and dialects and varying diction styles. Basic editing and proofreading will also be covered to help transcribe accurately and efficiently. *Prerequisites: Word processing skills and Medical Terminology*

FINANCIAL AID & GENERAL INFORMATION

Financial aid is available through a variety of sources for qualified individuals in career development programs. Each source of aid has its own specific guidelines concerning eligibility and filing dates.

Our Financial Aid Manager can guide you through the world of PELL Grants, Direct Loans, VA benefits and the various programs available to you for career development.

Call Financial Aid Manager, Joy Baeumel, at 419-998-2990 for an appointment.

Pell Grant (FAFSA) and Direct Loans

These are available through the U.S. Department of Education. They are awarded on the basis of your previous year's income and apply to most 600+ hour programs. A 90% attendance rate and a 1.7 grade point average must be maintained while attending school. Apply online at www.fasfa.ed.gov

Private Loan

Private student loans are offered through private lenders and should only be used after all federal loan eligibility has been exhausted. These loans are in the student's name but may require a cosigner and a credit check of the cosigner to determine eligibility.

FASTChoice is a list of recommended lenders; you are not limited to the lenders listed. If you choose to work with a lender that is not listed, please notify us so we may process your loan promptly.

Veterans Educational Benefits (V.A.)

Selected programs are approved for the training of veterans. Apply online at <https://www.va.gov/education/how-to-apply/>

To check on your status with the Veterans Affairs, call 800-827-1000 or the local Lima office at 419-228-3700

Bureau of Vocational Rehabilitation

This agency provides individuals with disabilities services and supports necessary to help them attain and maintain employment.

Call the Lima office at 419-228-1421 to see if you qualify.

Workforce Innovation and Opportunity Act (WIOA)

WIOA provides funding for underemployed, single parents, economically disadvantaged, dislocated workers and other special needs individuals.

Trade Adjustment Assistance (TAA)/Trade Reemployment Assistance (TRA)/Reemployment Trade Adjustment Assistance (RTAA)

This funding is available to individuals who have become either unemployed or had hours reduced as a result of increased imports from or shift production to foreign countries.

Call your county's One-Stop/County Ohio Means Jobs Department to see if you qualify for funding.

OMJ Allen County | 419-999-0360
OMJ Auglaize County | 567-242-2750
OMJ Hancock County | 419-429-8031
OMJ Hardin County | 419-674-2312
OMJ Logan County | 937-599-5165
OMJ Mercer County | 419-586-6409
OMJ Putnam County | 567-376-3761
OMJ Shelby County | 937-498-4981x297
OMJ Van Wert County | 419-238-4931

Scholarship Opportunities

Various Business Partners have teamed up with the Apollo Foundation to provide scholarships to Apollo students that are working towards completion of Certificate training programs that will lead to a skilled career. Students are required to successfully complete at least 3 months of their program before they are eligible to apply.

If you live or work in Allen County, you are eligible to apply for a scholarship through the Lima Rotary Club.

Loan Counseling

Recipients of the Federal Direct Student Loans are required by federal regulations to complete entrance and exit loan-counseling sessions. Entrance counseling sessions must be completed prior to the student receiving the loan proceeds. Exit counseling sessions must be completed at the time of graduation or when a student leaves school. A hold will be placed on your Apollo Career Center records if you fail to complete exit counseling.

Job Placement/Professional Development

We are committed to assisting students in finding jobs within their field of study. Students enrolled in career development programs are eligible for this service.

THE FOUNDATION'S ROLE IS VITAL TO PROMOTE, ASSIST, AND SUPPORT CAREER TECHNICAL EDUCATION BY:

- PROVIDING SCHOLARSHIPS
- ASSISTING WITH STUDENT NEEDS/REQUESTS
- PURCHASING TOOLS/WORKBOOKS AIDING ADULT BASIC LITERACY

DONATE TODAY
VISIT APOLLOCAREERCENTER.COM

Career Counseling and Assessment

Should you have concerns or questions regarding your career path, a certified counselor is on staff to provide personalized career counseling and assist you in your decision-making process.

Career Passport

Students who fulfill program criteria in career development programs earn a Certificate of Completion and an Apollo Career Passport.

Career Technical Credit Transfer (CT2)

As Ohio secondary and adult career-technical students seek higher education, CT2 initiative allows for approved technical coursework to be transferred to State 2 and 4 year institutions of learning for college credit. Go to <https://www.ohiohighered.org/transfer/ct2> for more information.

Accreditation

Apollo Career Center is a governed by the Ohio Department of Higher Education (formerly known as the Ohio Board of Regents) and is fully accredited by the Council on Occupational Education, 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350, Tele: 770-396-3898 Fax: 770-396-3790, www.council.org

Quality Statement

Apollo Career Center Adult Workforce Education serves to educate, train or re-train individuals to gain employment, increase skills and enrich lives.

Admission

Full-time classes are open to anyone 18 years of age or older and not enrolled in a full-time high school program. High school diploma or GED is required unless other exceptions apply. All full-time registrations take place in the Adult Education office.

Contact the Adult Education office or Financial Aid Manager for additional information.

Tuition

Course fees are established to cover the operating expenses of the Apollo Career Center Adult Education programs which are self-supporting. Textbooks are included in tuition unless otherwise notes, and are non-refundable.

Certification Test, Supplies and Tools

These items, when required, are included in the course fees and are not refundable. Toolkits are packaged and not broken up.

Instructors

The State of Ohio Department of Education certifies all instructors.

Class Cancellations

If a course is cancelled by Apollo Career Center, a full refund will be made.

Withdrawals

If a student withdraws, refunds will be handled according to the refund policy. Fees may apply.

Certifications

An Apollo certificate of completion will be awarded to each student who attends 90% of scheduled classes and satisfactorily completes the required work.

Equal Opportunity

It is the policy of the Apollo Joint Vocational School District that educational activities, employment practices, programs and services are offered without regard to race, color, national origin, gender, religion, disability or age.

School Closings

For fog, ice or snow delays Apollo Adult Education will automatically delay for 2 hours. Classes will start at 10 a.m. and end at the regular time. For Fog cancellations announcements, Apollo Adult Education will not cancel. For ice and snow cancellations, Apollo Adult Education will also cancel day classes. In any condition, the adult night classes will meet as scheduled, unless road conditions become hazardous. In such case, a decision will be made by 3:00 p.m. Listen to local TV stations for information or visit www.hometownstations.com.

College Credit

Apollo Adult Workforce Education has articulated a number of their Career Development programs with 2-year and 4-year colleges and universities through memorandums of understanding. Call today to find out what credit you can receive after completion of the program for transfer.

by the Apollo CAREER CENTER NUMBERS

EST. 1976

The district covers 610 square miles and includes all or parts of five counties.

Over 750 students are enrolled for 2019-20.

of 2018 Apollo graduates are employed, in the military, and/or enrolled in full or part-time post-secondary education.

We are the career-technical education district for juniors & seniors from 11 high schools: Ada, Allen East, Bath, Bluffton, Columbus Grove, Elida, Hardin Northern, Perry, Shawnee, Spencerville & Wapakoneta.

We offer over 20 career-technical programs which prepare students for entry-level positions in hundreds of occupational fields and post-secondary educational programs.

There are 6 satellite programs housed within the district. Apollo provides the instructors, equipment and supplies for programs at Bath, Bluffton, Elida, Perry, Shawnee and Wapakoneta high schools.

Electrical Systems Technology will be added to the list of high school programs for the 2020 school year.

Students earned 701 industry credentials in 2018-19

Four retail student-run businesses open to the public:

- The Salon at Apollo
- The Spa at Apollo
- Garden Cafe
- Floral Design Shop

Students can earn college credit through dual enrollment and post-secondary options, in addition to licenses and certifications. These opportunities save students and parents time and money after graduation.

Each year high school carpentry students build a house, frame to finish, that is sold at auction.

Apollo Career Center high school students are members of BPA, FFA, FCCCLA or SkillsUSA. Those who achieve the highest standards qualify for membership in National Career Technical Honor Society.

Graduates with technical or applied science associate degrees can out-earn bachelor's degree holders by \$11,000

Career Connections - Eighth and Ninth Grade Students Learn About Apollo

Apollo Career Center Board of Education

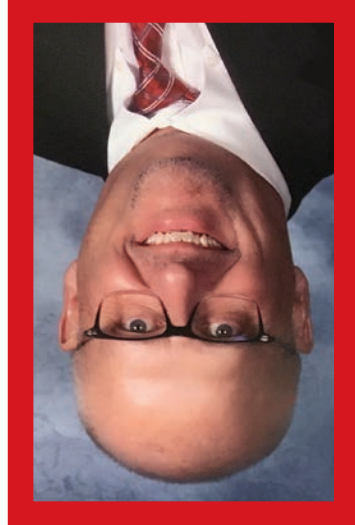

row 1 Yvonne Marrs, Perry, Dan Marshman, Hardin Northern, Jackie Place, Bath, Ron Fleming, Ada, and Penny Kill, Spencerville.
row 2 President Dennis Fricke, Elida, Ned Stechschulte, Columbus Grove, Todd Hager, Allen East, Vice President Willie Sammetinger, Wapakoneta, Bob Loeschner, Shawnee, and Brad Fruchey, Bluffton.

Firefighting Technology students shared their knowledge of fire safety with other programs including Early Childhood Education.

A Message from Superintendent Keith Horner

As superintendent of Apollo Career Center, I have seen first hand the growth in our students, the amazing efforts of the staff, the respect and support of our business partners, and the pride in our Apollo graduates. We instruct high school students in both soft skills/employability and job skills, with an emphasis on citizenship and community service. Apollo started the school year with record-breaking numbers, which makes me confident that the message is being received that most of the jobs in today's market are career tech based.

Adults continue to seek relevant training in a variety of career fields from public safety to medical, and manufacturing to welding. As individuals seek to acquire the skills sought by business and industry, and companies continue to search for skilled workers, we are proud to be one of the connections to serve all those needs. Apollo Career Center continues to strengthen and add programs to meet our region's needs. Thank you to all who served on a program advisory committee and provided information to strengthen our programs. I am proud to serve in my capacity as superintendent, as I continue to realize the impact Apollo Career Center has on the lives of so many students and adults, in a region that is so supportive of career technical education.

Meet Crystal Pyles What does a Mental Health Coordinator do?

A Mental Health Coordinator ensures students' basic and mental health needs are being met by:

- providing prevention programs to students and staff
- identifying at-risk students
- assessing student needs and connecting them to the necessary resources
- meeting with students and families in crisis and connecting them to resources
- advocating for student needs.

What is Apollo PEACE?

Apollo PEACE is a student-led prevention group for mental health awareness and promotes positivity among the students and staff.

What has been your favorite part of the job so far?

My favorite part of the job so far is learning about the students and how I can help them. I look forward to getting to know them more and seeing them achieve their goals!

Hobbies/secret talents?

My hobbies include traveling, hiking, and being adventurous. I have gone skydiving twice and loved it!

List three traits that describe you?

Compassionate, Adventurous and Intuitive

Favorite quote?

"Whether you think you can or think you can't, you're right" -Henry Ford
