

Dear Phlebotomy Student:

Below is the cost **ESTIMATED** for your attendance at Apollo's School of Allied Health Professional's phlebotomy class:

2024-25 Tuition \$1200.00

All tuition, book, electronic resources, lab kits, 10-panel urine drug screen, and malpractice insurance are included in the cost of tuition.

Additional costs you *may* incur prior to, during, or near completion of the program include:

Prior:	*CPR- Health Care Provider (must be American Heart Association)	by Week 5	\$75
	**Black and/or Red scrubs	by Day 1	\$40
Prior/During:	(prices are estimation)		
	*Immunizations:		
	2 Step Mantoux (TB skin testing)	by Week 5	\$40
	Hepatitis B Vaccines (series of 3)	by Week 5	\$225
	Seasonal Flu vaccine	by Week 5	\$35
	Tetanus/Diphtheria (within the last 10 years)	by Week 5	
	Measles, mumps, rubella (with the last 20 years)	by Week 5	
	COVID vaccine (recommendation) *subjected to change		
During/End:	Filing fee for Certification		<u>\$125</u> \$540

*Immunization documentation of previously completed vaccines or documentation of history of disease are accepted. Vaccines would not need to be repeated. Your health insurance may cover the cost of these vaccines. *Students must be up-to-date in their series by week 5 of the class.* Proof of current AHA HCP Level CPR will be accepted and would not need to be repeated but renewed to keep validity through completion of clinicals.

**There is NO set scrub brand for the phlebotomy class program. Students will be required to wear black or red scrubs beginning the first day of class. It does not matter where they are purchased.

Program Orientation for this class is the **Thursday BEFORE** the advertised start date.

I hope this will assist you in your financial planning for the program.

Sincerely,

Joy Mendez
Allied Health Director
